FISHupdate magazine - **Special Offer to EAS Members**

FISHupdate is a monthly news magazine which combines the heritage of Fish Farming Today, Fishing Monthly, and European Fish Trader magazines, and is the new all sector industry monthly covering catching, processing and aquaculture.

FISHupdate will be full of: reviews of the newest fishing vessels, related political news and views covering all the industry sectors, advancements in processing technology, changes in government regulations, key developments in the aquaculture sector current trends in pricing/marketing/and auction news, the latest developments in fish health, coverage of exhibitions and industry events, and much more.

Subscribers to **FISHupdate** will automatically receive the *Fish Industry Yearbook* which is a unique directory of the entire fish industry, incorporating aquaculture, offshore catching, processing and retail. The book contains vital contact details of suppliers and services to the industry, as well as up-to-date lists of shellfish, trout and salmon farms.

EAS members will receive a 20% discount on subscription prices as well as the *Fish Industry Yearbook 2002* (£95, postage incl.). Reduction included in prices below.
